WS Building Materials

A Weekes & Snively Company

A Unified Future

We're excited to announce that Snively Forest Products is now WS Building Materials!

Why It Matters

As a 100% employee-owned company and wholly owned subsidiary of MacArthur Company, WS Building Materials is built for long-term growth, operational excellence, and continued investment.

What's Changing

- A new unified name and brand
- A more aligned, efficient national organization

What's Not

- The same people and account teams
- The same dependable service and expertise
- Our commitment to quality, safety, and employee ownership
